

# STAS drywallXpress

PATENT PENDING

## no stress with the drywallXpress

With the STAS drywallXpress you can mount a picture hanging system on a plaster wall in no time. No need to pick up that drill because you don't have to drill to assemble this system.

The STAS drywallXpress is a complete picture hanging system that consists of clips, STAS cliprail and an auxiliary tool. With the help of the enclosed tool and a hit with a hammer you can easily push the metal clips into your plaster wall. Click the rail onto the clips and combine this picture hanging system with the STAS cords with cobra.

STAS drywallXpress: the easiest picture hanging system in the world!

### Important note regarding warranty and liability

Products of STAS must be installed and used only in strict accordance with the latest version of the STAS picture hanging systems installation guide, available for download at [www.stasgroup.com](http://www.stasgroup.com). It is the responsibility of the installer to select the correct fasteners for the particular installation. Improper installation, misuse, misapplication or otherwise failing to completely follow seller's instructions and warnings may cause product malfunction, property damage or personal injury.

### STAS products TÜV certified

STAS strives day after day for products of the highest quality. To guarantee the quality and independence of products, STAS has commissioned TÜV Netherlands for the testing of its products. TÜV Netherlands is an independent and recognized body that assesses the quality of products according to a set standard and has extensive experience in the field of product safety and product inspections. Under the direction of TÜV, a large part of our range of products has been tested for quality and correctness of the specified features. All products where the TÜV logo is shown, have actually been tested by TÜV Netherlands and approved for the capacity that is stated in the features of that product.
