STAS poster strip

The STAS poster strip is a classic poster strip in transparent plastic and is designed to lock posters into position so as to hang them neatly, simply and stylishly. The poster can be slid into the strip from the side.

STAS poster snap

The STAS poster snap is a more luxurious variant to the plastic poster strip, made from high-grade aluminium. This makes the system ideally suited for presenting canvases, fabrics and heavy posters without taking anything away from the style.

The poster does not have to be inserted from the side: simply click the STAS poster snap open and shut at the top and the bottom.
