

# STAS signtrack

## a presentation that sticks

With the STAS signtrack you can easily hang advertising, posters and signage (from 0.2mm to 1mm thick). The STAS signtrack is easy to use, due to the sliding mechanism at the top and bottom. Inserted material remains undamaged and a professional presentation is guaranteed. An indispensable addition for shops, offices, catering, conventions and institutions.

The STAS signtrack can be used with the STAS qubics or with the STAS suspended ceiling hooks (in combination with matching cords) to hang from the ceiling. The STAS sign track can also be used with our many rail systems in combination with the cords with cobra hook for a wall mounting.

- dimensions 12 x 21 mm
- length 42, 60, 100 or 200 cm
- aluminium
- alu
- ceiling- or wall mounting
- paper thickness 0,2 mm till 1 mm
