

# STAS qubic

wall mounting STAS qubic pro

ceiling mounting STAS qubic pro

## flexible in all directions

The STAS qubic is a compact and square hanging system, suitable for hard walls such as stone or concrete. Do not underestimate the STAS qubic by its size, because that is exactly what's so convenient about this hanging system.

The STAS qubic is suitable for one hanging point and can be easily installed in the more difficult places. Think of a stairwell, a slanted ceiling or a pillar. The STAS qubic can be mounted in many different ways and therefore the cords can also be hooked in many possible ways.

The versatility of the STAS qubic makes it an indispensable hanging system for difficult places with hard walls.

- dimensions 22 x 22 x 24 mm
- aluminium
- alu textured

### Important note regarding warranty and liability

Products of STAS must be installed and used only in strict accordance with the latest version of the STAS picture hanging systems installation guide, available for download at [www.stasgroup.com](http://www.stasgroup.com). It is the responsibility of the installer to select the correct fasteners for the particular installation. Improper installation, misuse, misapplication or otherwise failing to completely follow seller's instructions and warnings may cause product malfunction, property damage or personal injury.

### STAS products TÜV certified

STAS strives day after day for products of the highest quality. To guarantee the quality and independence of products, STAS has commissioned TÜV Netherlands for the testing of its products. TÜV Netherlands is an independent and recognized body that assesses the quality of products according to a set standard and has extensive experience in the field of product safety and product inspections. Under the direction of TÜV, a large part of our range of products has been tested for quality and correctness of the specified features. All products where the TÜV logo is shown, have actually been tested by TÜV Netherlands and approved for the capacity that is stated in the features of that product.
